NO VOTE - is an affirmative choice against a candidate or candidates. A **NO VOTE** does not make your ballot incomplete.

The following research conducted by Remnant Impact evaluates candidates based on their endorsements, financial contributions, campaign expenses, official platforms, social media presence, and public interviews. Every candidate is thoroughly vetted against biblical values and constitutional principles. Candidates are color coded by party affiliation. Open the QR code to review.

It is our God given right to participate in our elections. Now, more than ever in the history of Nevada, and America at large, we need the Evangelical Christians to rise and cast their vote against evil that is amongst us.

Ways to Vote

Mail in or Absentee ballot - If you choose to do a mail in ballot, fill out your ballot in **BLUE INK** (*blue is difficult to manipulate*). You can mail it or take it directly to **Central Processing Center at 965 Trade Drive**. You also have the option to utilize our Secure Drop Off Box at:

10050 Banbury Cross Dr. #100 Door J
Monday - Thursday 10am - 4pm

You can check your ballot status at:

MyBallot.NV.Gov

Electronically by Dominion Machines - If you choose to cast your vote electronically, you have from October 17th - October 30 for early voting.

Check Your Voting History

You can go onto the SOS website, fill out your personal information and then click at the top header, VOTING HISTORY. Make sure that your most current vote matches. If you turned in your ballot it will say "Mail Ballot Counted", if you voted in person it will tell you "Early Voting" or "Election Day". If your History is incorrect for the Primary Election, fill out an Election Integrity Violation Report with the Secretary of State.

Ultimately, no matter how you vote, the results of this election belong to God. We stand by this quote from John Q. Adams, **"The duty is ours, the results are Gods."** Christian, it's our duty to get out and vote.
